

We hope you will join us in sponsoring this year's Let It Be Us Be Mine event! In its fourth year, Be Mine has become a "must attend" event despite the ups and downs of the pandemic. In 2021, we had over 150 attendees and raised nearly double what we raised in 2020, netting over \$180,000!

In addition to helping children in foster care, the event is a fun night made possible by our sponsors and we hope you will join us! Funds raised go to support programs that ensure children in foster care are raised in homes and families instead of group settings. Let It Be Us aims to achieve this goal by recruiting new foster homes and supporting them through the licensing process and also helping case workers by connecting them with licensed homes that meets the needs of waiting children who need homes.
