About Be Mine

Hosted by the Let It Be Us Fundraising Board at The Walden event space in Chicago's West Town neighborhood, the Be Mine Gala welcomes 250 high level professionals for a semi-formal fun night of food and drinks, entertainment, a fabulous live auction, and more! This celebration, in its sixth year, is critical in raising funds to ensure LIBU can continue to innovate within the Illinois child welfare system by partnering with DCFS and all Illinois agencies to recruit foster families and place children into loving lasting homes. Promotional materials for Be Mine are shared with thousands of Illinois foster parents, adoptive parents, advocates, and children welfare supporters. The event is promoted on LIBU's high-traffic webpage and social media sites, e-newsletter, and in local media outlets.

Let It Be Us

In 2014, founder Susan McConnell had a vision to create an organization that would work to find safe and loving homes for each child in Illinois foster care. March 2024 marks the 10 year Anniversary of Let It Be Us! For a decade, LIBU has been providing children in emergent need and those who are challenging to place with a home - the strongest home - through foster care and/or adoption. We use innovative technology and strategy driven solutions in the space of recruitment, matching and placement within child welfare. Our work leads to ensuring children and teens in foster care achieve permanency, educational equity, employment equity, and economic equity.

Our vision is that every child in Illinois foster care is placed in the right home the first time.
